

No one will know if you secretly keep these gifts for yourself

Gifts to keep for yourself 2020 (Chicago Tribune)

When we look back on 2020, it may be the year we learned to seek out and appreciate small items and experiences. And this newfound ability to treat ourselves can translate into ideas for gifts. Maybe they're for a beloved family member or friend, or maybe they're the equivalent of splurging on that cozy cardigan when you're out holiday shopping — for yourself.
